

SECRETS OF CAREFREE SUCCESS

Experience Matthew Ferry LIVE!

Matthew's Key Note address, **Secrets to Carefree Success** reveals the truth about why traditional success tactics do not work for most people. This illuminating talk will open your eyes to the glass ceiling that **YOU** erected to stop **YOURSELF** from achieving your true potential. Get ready to be confronted, stunned and rejuvenated by Matthew's hard-won wisdom on how to use happiness to achieve success.

Matthew Ferry is a revealer, illuminator & awakener whose point of view creates instant transformation in peoples lives. Since 1993 he has personally coached more than 8000 people to breakthrough performance barriers and achieve unparalleled happiness and success. With tens of thousands of hours invested in the investigation of what causes a person to take the actions that will lead to success, Matthew has discovered a shocking truth; that happiness is the vital ingredient for creating success and not the result of achieving success.

Matthew will share specific techniques with you to learn:

- How to create peace of mind and then channel that feeling into your goals to break through performance barriers.
- Learn the real truth behind why you don't take the actions that you know will lead to success.
- 3 easy ways to implement techniques to fuel your inner fire and accelerate results.
- Learn game changing wisdom on how to control your thoughts and direct them towards the accomplishment of your goals.
- 2 shocking truths arm you with vital insights that lead to an instant increase in performance and results.
- A guaranteed way of insulating you from stress, anxiety and frustration so that you can live in a state of happiness and peace now.
- How to make fear disappear and get into massive action on your goals.

Do not come to this event unless you are willing to be confronted on issues that have been stopping you from living the life of your dreams. Matthew Ferry is brutally honest and can be offensive to the personal development beginner.
